It gives character to empty walls.

Bring light to your wall, raise your ceiling and create the feeling of spaciousness and freedom with Insider in different dimensions and colours. Because of its delicate design, it can be easily incorporated into any interior.

Its indirect light effect makes your ceiling higher and higher. And what is more, it creates an atmosphere that will raise you up.

Bring light all the way up

Insider is minimalistic, but surprisingly strong. Its indirect light effect makes your ceiling higher and gives a feeling of spaciousness and freedom. It is also practical when there is no possibility to mount a light on your ceiling.
